Breaking through Barriers to Oral Wellness

*When compared to the nation's performance on 13 key oral health indicators, **Oklahoma scores a D.***

Why? What are the barriers to oral wellness in Oklahoma and how can we overcome them?

These questions and more will be explored at the **2020 Oklahoma Oral Health Awareness Forum**. This statewide event brings together dental, medical and public health professionals, oral health safety net organizations, policymakers, funders and other individuals invested in the health of Oklahomans.

The Forum will feature:

- A presentation of the **Oklahoma Oral Health Report Card** with expert explanations of each key indicator
- Recognition of the essential role of the **oral health safety net** and the organizations comprising it
- Facilitated **discussion groups** examining oral health challenges faced by various populations and exploring potential solutions
- **Exhibitors** representing Oklahoma's oral health safety net organizations and other oral health programs
- Time for **networking**

Forum Schedule

8:00-9:00am	Exhibitor set up
9:00-9:30am	Registration; Reception in exhibit hall
9:30-11:00am	Morning Session: Oklahoma Oral Health Report Card
11:30am-12:45pm	Lunch Session: Oklahoma Oral Health Safety Net
1:15-2:15pm	Breakout Sessions: Oral Health Discussion Groups
2:15-3:15pm	Closing Session
3:15-4:00pm	Networking; Exhibitor take down; Museum tour option

In between sessions, networking breaks are held in the exhibit hall. After closing session attendees receive a pass to tour the Oklahoma History Center museum, free of charge, until it closes at 5:00pm.

Up to 4.5 CE credit hours available. Consult your licensing board requirements.

Oral Health Report Card Presenters

For complete biographies go to www.tinyurl.com/Register-2020-Forum.

Leon Bragg, DDS, MEd

Dr. Bragg served as the Chief Dental Officer for the Oklahoma Health Care Authority, which administers the state's Medicaid program, from 2004-2017 and is currently a Dental Consultant for OHCA. Dr. Bragg also served as president of the National Medicaid Medicare Association for several years.

Marsha Beatty, BS, MPH

Marsha is Assistant Professor of Research in the Community Dentistry division at the University of Oklahoma College of Dentistry. Marsha serves as chair of the Oklahoma Oral Health Coalition and Oklahoma's representative for the nationwide Oral Health Prevention and Equity Network (OPEN).

Tim Fagan, DDS, MS

Dr. Fagan is a clinical professor and the division head of the Pediatric Dentistry division at the University of Oklahoma College of Dentistry. He is a media spokesperson for the American Academy of Pediatric Dentistry and past president of the Oklahoma Dental Association. He has practiced dentistry in Enid, Oklahoma, since 1984.

Laurie Cunningham, RDH, MEd

Laurie has been a professor in the Dental Hygiene division at the University of Oklahoma College of Dentistry for 15 years. She has been a co-director with Dr. Kay Beavers in the Geriatric Dentistry course for 14 years. Laurie holds a degree in dental hygiene and a Master's degree in Education.

Kay S. Beavers, DDS

Dr. Beavers has been a Professor with the University of Oklahoma College of Dentistry for the past 20 years, teaching both dental hygiene and dental students. She also served as a Lt. Commander in the USPHS Indian Health Service for several years. She completed a Masters in Legal Studies Health Care Law at OU College of Law in December 2019.

Lisa Pendarvis, MPH, PMP

Lisa is the Director of Programs at Oklahoma Primary Care Association. Her department provides ongoing training and technical assistance to Oklahoma's 21 federally qualified health centers (FQHCs). In addition to her Master's in public health, Lisa is a certified project management professional and a patient-centered medical home certified content expert.

Jana S. Winfree, DDS, MPH

Dr. Winfree is the Oklahoma State Dental Director, a position held since 2008. She provides subject matter expertise and leadership for the Oklahoma State Department of Health. Program efforts include community water fluoridation, dental education, dental loan repayment, Mission of Mercy clinics, and oral health surveillance.

Terrisa Singleton, MHSA, BSBA

Terrisa has managed Delta Dental of Oklahoma Foundation since 2009. As Foundation Director, she works extensively with oral health safety net dental clinics and programs throughout the state and oversees the Foundation's own programs and initiatives. Terrisa holds a Master's in Human and Health Services Administration from OU.
